

## Pre-Departure/Smooth Arrival Orientation – February Arrivals

As we did last school year, we will be hosting Zoom orientations for agent partners, parents and students planning on coming to Delta in February to help them understand and feel comfortable with the processes around arrival protocols and mandated short and long quarantine procedures in Canada. Participation in these meetings is very important as it is vital that students understand what to expect upon arrival and what is expected of them upon arrival. **These meetings are important for both those who will and will not be vaccinated.** They are a wonderful way as well to help to get to know your support team here in Delta!

All sessions will be in English as well as the language of the Target Audience. **If you don't see your regional or language group here, please feel free to join another group.**
